

Fully Booked

American Literature at Goethe-University

It's not a seminar. It's not a lecture, either. Fully Booked gives you the chance to get to know important works of American literature and discuss them with your peers. Finally a reason to read those books you've always meant to read – but didn't want to read only by yourself!

Each book will be introduced by a member of the American Studies department. Then the floor is open. Come join us:
